Dear Parents/Guardians,

It is with great excitement that I welcome you to the 2023 – 2024 academic year here at Broadway Academy at Mount Pleasant. I hope it has been a nice and enjoyable summer break for you and your family. As you will soon notice, we have made some improvements throughout the building which will continue during the academic year. These improvements and additions have been made with the students' success in mind. We have also kept certain programs like before & after-care for parents that need these services.

At Broadway Academy at Mount Pleasant, it is our goal to provide a safe and secure small private school environment to the Mount Pleasant community. It is our goal to inspire, educate, and direct students to become productive and intelligent citizens of our community. The private school-like setting has provided students with the opportunity to learn free of distractions and interruptions. Here at Broadway Academy, we follow a set of "Old School Values" such as respect, dignity, and teamwork. We believe that every student can learn and grow each day despite obstacles and challenges that may come their way.

Together, we can continue to improve the quality of our community and provide the best educational experience for our students, but we first must get our students to school each day, and I believe we can do it, I Believe In You!

If you have any questions or concerns, please feel free to contact us.

Sincerely,

James P. West
Principal
